ASU Art Museum Ceramics Research Center 11th Annual Self Guided Ceramic Studio Tour

The Artists' Advisory Committee of the ASU Art Museum Ceramics Research Center (CRC) is currently planning the 11th Annual Self-Guided Ceramic Studio Tour to be held **Saturday, February 25th** and **Sunday, February 26, 2012**, from 9:00 am to 5:00 pm.

You are invited to submit images of your work to be considered for participation in the Studio Tour. Professional ceramic artists who are not currently enrolled in a degree program and who are working in the state of Arizona are eligible to enter. Work exhibited must be original, produced by the artist and be primarily ceramic. **Jurors will be looking for a consistent body of work suitable for showing in a studio setting.** Professionals involved in the ceramic arts will jury all submissions. Applications must include artist resume, statement, a CD of recent work and a \$25 application fee. Applications are due by July 1st, 2011. Work will be juried in late July.

If you are accepted for the studio tour there is an additional non-refundable participation fee. Registrations postmarked by August 12, 2011 will pay \$150.00, increasing to \$175.00 for those received after August 12, 2011. All registrations must be postmarked by August 26, 2011 at the latest. The registration fee pays for your listing (your name, contact information and a photo of your work) in the tour brochure/poster. If you are accepted by the jury panel, you will have the opportunity to request your preferred tour site on the registration form. If you are an out of town artist, you will be matched with a suitable studio host site. Guest accommodations for out of town artists may possibly be available at select host sites.

If accepted to the studio tour you must agree to be at your assigned studio for the duration of the tour. Also, you agree to participate in the promotion of your studio site and of the tour in general.
