Use the map to help plan your self-guided tour of some of the Valley's premier ceramic studios and artists.

Proceeds from sales are donated to the ASU Art Museum Ceramics Research Center (CRC). The CRC is part of the Herberger Institute for Design and the Arts at Arizona State University, which provides teaching and research for the hands-on study and enjoyment of ceramics.

Questions? Please contact the individual studio host.

Studios offer live demonstrations of wheel throwing, hand-building and glazing techniques throughout the weekend. See the complete list of demos on the adjacent pages along with the studio locations and directions.
